## Kids Helping Kids

### VBS Mission Project - Feed New Mexico Kids

New Mexico is number one in the nation for percent of children living in homes with insufficient food supply. We believe that we, as the body of Christ, can change that. Schools ensure that all kids are fed during the week, but too many kids go through an entire weekend with little to no food. In a combined effort with Title 1, Feed New Mexico Kids is supplying children with non-perishable, snack-able food items for them to take home and eat on the weekends.

Drop off your VBS donations at the Osuna Campus in the FNMK collection bins in front of Calvary Kids Entrance, Monday through Friday, 9am-5pm.

**Monday**  
**Go-Go Squeeze**
